ADOPT-A-STREET PROGRAM SUMMARY

Thank you for your interest in enhancing the appearance of our community. The Town has developed the "Adopt-a-Street" program to allow our citizens the opportunity to serve the community through roadside clean-up.

Citizens or groups can adopt a section of a Town arterial or collector street for two years with a minimum of four clean-ups per year. Groups with members less than 15 years of age must be supervised by adults with a ratio of one adult per seven students. Large groups should be divided into teams of eight or less members with each team supervised by at least one adult.

Citizens or groups must attend an orientation training session conducted by Town staff to learn the safety guidelines for clean-up activities. Group leaders will be responsible to review safety guidelines before each clean-up.

Adopting citizens and groups will be responsible to schedule their own clean-up dates and coordinate dates with the Town. The Town shall provide garbage bags, roadside "Cleanup Crew Working" signs, and safety vests to participants prior to clean-up activities. The individual or group is responsible to place the roadside signs in their activity areas. Vests must be worn by all participants at all times. Vests and roadside signs must be returned to the Town within one week of the clean-up. Bags shall be placed within the Right-of-Way but outside vehicle and pedestrian travel areas for collection by the Town.

Following each clean-up, the adopting group/individual will complete the Activity Report detailing the names of individuals involved, number of bags collected for litter and recyclables, and the hours spend during the clean-up. Forms can be dropped off, emailed, mailed, or faxed to the Town Manager's address listed on the form.

Two clean-ups are encouraged to be conducted in April and October to coincide with the state litter control and recycling events.

The Town shall place an "Adopted Street" sign that includes the name of the adopting group or individual. No slogans, logos, advertisements, or phrases will be allowed on the sign.

We appreciate your interest in improving our community through your efforts.
