## You are Invited! Envision Front Royal's Future

Our Town and region face continuous change – economic, environmental, and cultural. If we are to have the high **quality of life** that we all desire, we as a Town must take positive, pro-active steps to define our future. In Virginia, the primary method for doing this is through the Town's long-range Comprehensive Plan. A key step in creating such a plan is to **Envision our Future Together**.

Front Royal is embarking on a project that we are calling **Envision Front Royal**. Our goal during the next few months is to develop a **clear and compelling vision** that will shape the type of community we leave our children and grandchildren. We'll be answering:

- ◆ What do we want our Town to look like?
- ◆ How might Front Royal change and how should we respond?
- ◆ What do we want our Town to be known for?
- ◆ What kind of place do we want to leave for future generations?

Your answers to these and other questions will help the Town develop a vision section of the Town's Comprehensive Plan. We can't create a vision alone, **we need your help**. We invite you to imagine our future and see what your neighbours are talking about. We encourage you to be creative and take a **long-term, positive** view of what our Town could be; and explore how to get there.

### when

**Right now, and often!** The Town has created a website to serve as the on-line home base for the project. Visit:

**[www.envisionfrontroyal.com](http://www.envisionfrontroyal.com)**

This fall there are two workshops which are open to the public. We encourage you to attend and participate:

**Thursday, September 12, 5:30-8:30 PM**  
**Saturday, October 26, 9 AM to noon**

### where

The public workshops will be held at the  
**Town Administration Building**  
**102 East Main Street**  
**Town Council Chambers (2nd floor)**
