

Hike A Mile Share A Smile! Here's how...

In partnership with the Front Royal/Warren County Visitors Center, the Front Royal/Warren County Appalachian Trail Community™ Committee, we hope you'll enjoy these discounts from locally owned businesses who support the Appalachian Trail (A.T.). And if that smile was inspired by your first step on the world famous trail in our own backyard, we hope it will be the first of many!

Front Royal/Warren County was officially designated an A.T. Community™ in 2012. The A.T. Community™ program was designed to thank communities who have hosted and cared for the trail since its completion in 1937. The program was designed to

- Engage community citizens, Trail visitors, and stewards;
- Recognize and thank communities for their service to the Trail and hikers;
- Act as a catalyst for enhancing sustainable economic development;
- Aid local municipalities and regional areas with conservation planning ; and
- Help local community members see the Trail as a resource and asset.

To receive your coupons, take a selfie with a white blaze on the Appalachian Trail and show it to personnel at the Front Royal/ Warren County Visitors Center between National Trails Day, *June 2, 2018*, and *September 29, 2018*, Family Hiking/National Public Lands Day.
