Business License#

New Businesses —with the exception of at-large contractors, all new applications for business licenses must be accompanied with an approval from the Town of Front Royal Department of Planning & Zoning. Contact the Department of Planning & Zoning at (540) 635-4236.

- Additional information for starting a new business can be found at www.frontroyalworks.com

Part 1: Business Information

For your convenience, information from past applications has been pre-filled (where available). If an area has been pre-filled, please review this information for accuracy. If pre-filled information is incorrect, please mark through incorrect information and include the correct information. If information is not pre-filled, please complete the appropriate information.

Part 2: Contractors

If your business does not engage in contracting, skip to Part 3

Contractors: If you perform work in the State of Virginia, in excess of \$1,000 per job, you MUST secure a State Contractor's License prior to applying for a Town of Front Royal Business License.

- Copy of State Contractor's License/Certificate from VWCC: All contractors must provide a copy of your state license when renewing or applying for a Town of Front Royal Business License. You must also include a copy of the Certification of Worker's Compensation Insurance Acknowledgement from the Commonwealth of Virginia Virginia's Worker's Compensation Commission.
- State Contractor's License Information: Indicate whether you have a Class A, B, or C license and record the license classification, license number and expiration date in the area provided.

Part 3: Gross Receipts Information

Unless otherwise indicated, report your prior year total gross receipts for the corresponding business type(s). If business began after January 1, 2015 and you were not in business for one full calendar year, you must provide an estimate of gross receipts for the current tax year in addition to your prior year gross receipts. (Note: Do not include any sales tax collected in your gross receipts). If an estimate is provided the estimate will be adjusted to the actual figure when the business license is renewed for the following year. The minimum license fee for each business type is \$10.00.

Example of calculation: Gross sales of \$15,000 for a retail business: $\$15,000 \times .0012 = \18.00 License Fee

Part 4: Additional And/Or Fixed Fees

Certain business activities have fees that must be paid that may be in addition to the license fees paid for gross receipts. Please see listing below or contact the Town of Front Royal Department of Finance at (540) 635-7799 for additional information.

Part 5: Prior Year Estimate Adjustment

This section must be completed if your business gave an estimate for the prior year's business license, otherwise skip to Part 6. Transfer corresponding totals from Part 3 & Part 4. Please contact the Department of Finance at (540) 635-7799 if you are unsure of the amount paid for the prior year estimated license fee.

Part 6: Total License Fees

Transfer the corresponding totals from parts 3, 4, & 5 than add the totals to obtain the subtotal. The 10% penalty is assessed if filing and paying after the due date. Please make check payable to: Town of Front Royal
